

Secondary and Senior Secondary Course

1. This Course is designed for those who have passed the X standard or equivalent examination from a recognized Board and would like to continue their education towards a Senior Secondary Certification, equivalent to XII standard.
2. The Scheme of Studies for Secondary and Senior Secondary Courses is shown in Table.
3. For obtaining a pass certificate, you are required to pass in a minimum of five subjects including one or maximum of two languages from Group 'L' and other three or four subjects from another Group. However, for senior secondary you are free to take up to two additional subjects. Thus, in all you can choose a maximum of seven subjects.
